It seems you know me very well.
Since we are in a partnership, I think we should get to know one another a little better...

Even if you didn't ask I would still tell you. I am Linley Baruch, ninth tier dragon blood warrior, eighth tier dual element wind and earth magus.

So you're a dragon blood warrior, no wonder.....
In your case though, I feel as though a necromancer ought to be an old man.
A necromancer does indeed grow more powerful as he ages,
Don't let my youthful look fool you, I'm actually eight hundred and sixty six years old.
Really? Unbelievable!
Then you must be very familiar with the radiant church, tell me more about them.
Can't you at least pretend to be surprised?

In short, the radiant church's most numerous forces include their priests, bishops, cardinals and the like, along with a large number of elite knights...
Above these are the ascetics and the servants of the Ecclesiastic Tribunal...
But beyond this they still have two hidden forces, both very dangerous.
The lesser of these two is the zealots, while the other is the radiant church's greatest and most powerful trump card, the descended angels.
Angels?!
Hosted at READMANGA TODAY

Descended angels, even the weakest are ninth tier warriors, many are at saint level.
Their power is not something even the radiant church will use lightly, they only use them in the most dire circumstances.

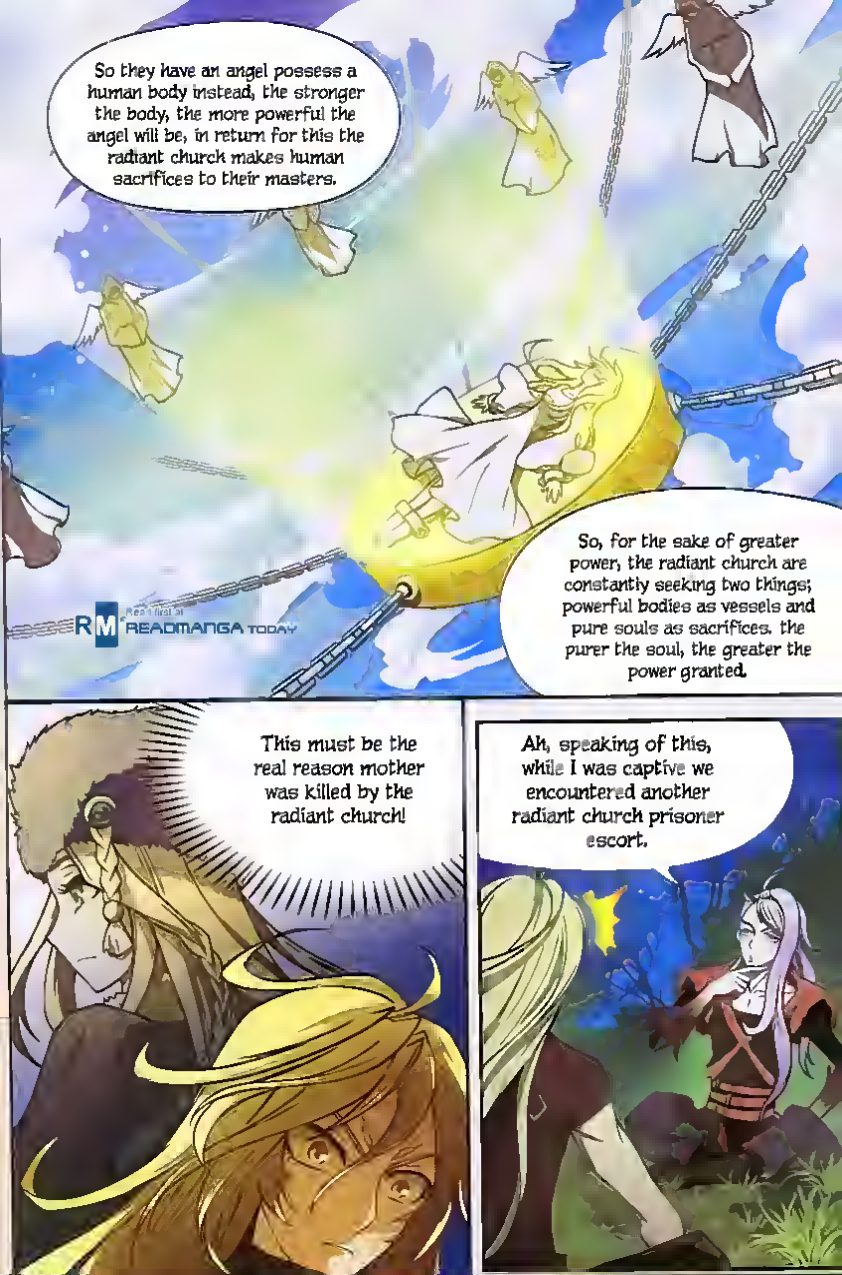
I have read about them, it is said descended angels possess deity level power,
So how was the radiant church forced to its present state?

Wrong, while angels do supposedly wield that kind of power where they come from, they normally can't even descend to our world.



So they have an angel possess a human body instead, the stronger the body, the more powerful the angel will be, in return for this the radiant church makes human sacrifices to their masters.
So, for the sake of greater power, the radiant church are constantly seeking two things; powerful bodies as vessels and pure souls as sacrifices. the purer the soul, the greater the power granted.

This must be the real reason mother was killed by the radiant church!
Ah, speaking of this, while I was captive we encountered another radiant church prisoner escort.

They weren't highly skilled people, but two weak little girls.
It's not hard to guess what the radiant church wants these two pure souls for...
It seems the radiant church really is constantly sacrificing people for their masters...
Lead the way, I must stop the radiant church at all costs
There would still be enough time if we moved at dawn!
Why cant you guys just slow down.
